**THIS SECTION IS NOT REQUIRED IF YOU ARE ONLY APPLYING TO INVEST IN A DEPOSIT.**

**The purpose of this section is to allow BCP to meet its regulatory obligations to ensure all investors in BCP products have the appropriate level of investment knowledge and experience that would allow them properly evaluate the features and the risks involved in the BCP product. Please complete for the most experienced person connected with the application and with as much information as possible.**

**Name of the person completing the Investment Experience & Understanding section:**

**(A) INVESTMENT UNDERSTANDING: PLEASE COMPLETE EACH QUESTION BELOW BY INDICATING IF THE STATEMENT IS TRUE OR FALSE.**

**Counterparty Risk:** The capital protection element of BCP products is provided by a bank, sometimes referred to as a counterparty. If this counterparty were to default on its obligations any capital protection provided by the counterparty would cease to apply and you may receive back less than the capital protected amount.

True  False 

**Early Access:** Some products allow you to cash-in (surrender) the investment early in normal market and funding conditions. If you do cash-in the investment prior to its maturity date, capital protection no longer applies and you may receive back more or less than your initial investment/capital protected amount.

True  False 

**Decrement Indices (if applicable):** Decrement indices are indices which typically re-invest dividends received, but have a fixed annual deduction, called a decrement. They are used to enhance product terms, but where the decrement is higher than the dividends received this will act as a drag on index performance.

True  False 

**Conditional capital protection/Soft capital protection (if applicable):** Some products provide conditional capital protection, sometimes referred to as "soft" capital protection. This means that the capital protection only applies if certain criteria are met e.g. as long as a fund or index has not fallen by more than a set %. For example if a product had a capital protection barrier of 50%, the investor would get 100% of their initial investment if the index had fallen by 40% at maturity; but if the index had fallen by 55% at maturity, the investor would only receive 45% of the initial investment.

True  False

## APPLICATION FOR INVESTMENT SERVICES – CLIENT CONFIRMATION

The type of service ('Non Advisory' or 'Advisory') that BCP is providing to you as an investor is confirmed in Section B of this Application Form. If you have been introduced to BCP via your Intermediary, BCP will always provide a 'Non-Advisory' service to you.

**'Non Advisory' service**

BCP is providing you with the service of receipt and transmission of a client order (also known as 'execution only') and has not provided you with investment advice. Where Non-Advisory services are provided to retail clients in relation to complex financial instruments you must be provided with investment advice. Where advice is provided by your own Intermediary, BCP is required to assess the appropriateness of the transaction for your level of investment knowledge and experience. This information is gathered in Section D of this form. We will write to you if we consider the product or service to be inappropriate.

**WARNING: Not providing the information, or providing insufficient information, will not allow us to determine whether the service or product envisaged is appropriate for you.**

**'Advisory' service**

BCP is providing investment advice to you. In the provision of investment advice, BCP is required to ask for information concerning your investment objectives, experience and knowledge, risk parameters and relevant facts about your financial position and capacity for loss. This will enable us to provide recommendations to you which are suitable to your needs and act in your best interests. In order for us to fully assess your financial needs and objectives and for us to determine the suitability of a product or service to meet these needs, it is important you provide all information we request from you and any other relevant information.

**WARNING: Not providing the information, or providing insufficient information, will not allow us to determine whether the service or product envisaged is appropriate or suitable for you. Incomplete or inaccurate information may affect our ability to perform the suitability assessment, for example if you do not advise us of upcoming financial commitments we may recommend products which are fixed term in nature and will not provide liquidity to meet these financial commitments. Providing inaccurate, imprecise or incomplete information may cause us to recommend products or services which are not suitable for you.**

**Should there be any material change in your circumstances please notify us. "Information" means any information given by you or on your behalf in connection with this application or any further information which may be given at a later stage either in writing, by email at a meeting or over the telephone including that furnished in connection with any application for any product/service available through us.**

I/We hereby request BCP Asset Management DAC to provide Investment Services to me/us in accordance with its Terms of Business.

I/We understand and acknowledge that all transactions will be subject to the Terms of Business of BCP Asset Management DAC that are applicable at the time of each such transaction, and that the Terms of Business applicable at the date of this application may subsequently be varied.

I/We undertake to inform BCP Asset Management DAC in writing without delay if any information provided to the firm, including my/our address, residency, citizenship or tax status, changes.
